621 & 640 Skytop Road Renovations and Department Relocation

Northland Associates has been awarded a contract with Syracuse University for the Renovation and Relocation at 621 Skytop Road and 640 Skytop Road on the University's Campus. Phase 1 of this project involves interior renovations to consolidate a University Department of Communication Sciences & Disorders which is currently located in this building. Renovation of approximately 6,500 square feet of this building including existing office and lab space into two new classrooms, a computer cluster, new faculty and staff breakroom and a new audiology lab. Phase 1 is currently underway and completion is scheduled for January of 2018. Phase 2 involves more interior renovations at 621 Skytop Road in the Spring of 2018. Phase 3 begins late Spring at 640 Skytop Road and is slated for completion in Autumn

2018. As always, we thank our vendors and subcontractors for their continued participation in the bidding process.

In addition, all of us at Northland Associates wish you and yours a very Happy Holiday Season!
